

Mobile Electronics Dealer Network (MEDN) Registration Form

✓ Customer Referrals As a member of MEDN, you will be represented to customers via the Internet and MobileToys partner sites. Visitors can turn into shoppers in your store based on information provided to them from your own web page about your store, the brands you carry, and other important information. Unlimited qualified referrals are included that were filled out by customers looking for help for their car and purchase.

MEDN – customers is required for purchase of MobileToys software products or to be part of our installation network.

Installation Sales Join our national installation network of professional installation outlets. Generate revenue for your store and introduce customers to your capabilities by installing products for retailers and e-tailers that do not offer installation for their products. Check the Installation Sales box if you meet the requirements and are interested in participating.

- Installation bay or designated installation area
- Lifetime Installation Warranty
- Maintain a current Garage Keepers Liability Insurance Policy
- Stock installation parts
- Experienced Installers, preferably MECP certified
